Stepping into **Pizza Hut Oriente** on Blvd. Ángel Albino Corzo 2310, in the Magisterial neighborhood of Tuxtla Gutiérrez, I was eager to explore their menu-and I was pleasantly surprised by both its variety and local flair. From the moment I glanced at the menu, it was clear that **Pizza Hut Oriente** aims to offer more than standard chain fare: they lean into creative pizzas, bold flavors, and value-packed combos, all while keeping things accessible and fun for families, friends, or solo diners.

A taste tour of the menu

One of the first sections that caught my eye was **Menu Tops** (their signature or highlighted items). Here you'll find standout pizzas such as **Pizza Catrina**, **Pizza 4 Estaciones**, **Pizza Hawaiana**, **Pizza Mexicana**, and **Alitas BBQ**. These names promise a mix of tradition and twist-Catrina evokes a local touch, 4 Estaciones gives you four flavor zones in one pie, and Mexicana brings the heat and character of Mexican ingredients. (This "Menu Tops" grouping is directly shown on their published PDF menu.)

Diving deeper into the **pizzas** section, the offerings expand. You'll see:

Quadrísima Pepperoni: a rectangular version with pepperoni and a crisp, cheese-crust edge.

Quadrísima Chori-Rajas: combining chorizo and jalapeño (or “rajas”) for a Mexican touch.

Quadrísima Hawaiana: the classic ham + pineapple combo, in that rectangular format.

Extrema Jamón: a large pizza with cheddar cheese crust and generous ham topping.

Customizable medium pizzas in tiers (1 ingredient, 2-4 ingredients, or up to 5-8 ingredients) offer flexibility.

Meat Lover: a powerhouse option combining six types of meat-pork, beef, ham, pepperoni, bacon, and Italian sausage.

The classic **4 Estaciones:** divided into quarters with pepperoni & jalapeño, mushrooms, Hawaiian, and cheese zones.

Hawaiana and **Mexicana** pizzas also appear in the pizza lineup, consistent with the “Menu Tops” spotlight.

Beyond pizza, the menu also features:

Melts: Think of these as pizza-style melts or open-faced sandwich pizzas. Options like **Melts Buffalo Chicken**, **Melts Meat Lover’s**, and **Melts Pepperoni Lover’s** give you something flavorful and lightly different.

Sides / appetizers: Favorites like **Hut Zzitos** (cheddar or parmesan breadsticks) and **Cheesy Pops / Dip & Crunch** (with varied ingredient counts) are perfect for sharing.

Chicken: They offer **Alitas (wings)** in 220 g (with choice of sauce) and **Boneless 220 g** as well.

Promos & combos: Several interesting bundles appear:

- “Dos Pizzas Extremas por \$289” - two extreme (crust-crust) pizzas for MX\$289
- “4 Estaciones + complemento GRATIS” - free side with a 4 Estaciones pizza combo
- “Combo-Hut Cheese Precio Especial” - medium pepperoni pizza + 2 sodas at a special price
- “Gran Hut Mix” - a box with 16 slices divided into a mix of four flavors ideal for sharing.
