Fresh and Flavorful Salads

One of the highlights of the Ta Ke Sushi menu is the refreshing selection of salads. Perfect for starting your meal or as a light option, the Seaweed Salad is a fan favorite. With its delicate and slightly salty taste, it's a great way to cleanse your palate. If you prefer something more substantial, the Volcano Salad is an exciting choice, combining a blend of fresh greens with a spicy, creamy dressing that brings the dish to life. For those who enjoy a bit of heat, the Spicy Salmon Salad is a must-try. Packed with tender, marinated salmon, it's a flavorful balance of spice and freshness. The Green Salad offers a simpler, lighter option for those who want a basic but satisfying dish to complement their meal.

Tempting Appetizers to Start

Before diving into the main course, the appetizers at Ta Ke Sushi offer an array of delicious bites to get your taste buds excited. The Edamame, simply seasoned with salt, is perfect for snacking, while the Agedashi Tofu, crispy on the outside and soft on the inside, provides a warm and comforting experience. For those who enjoy dumplings, the Gyoza is a popular choice, with its crispy exterior and savory filling. Another standout appetizer is the Ebi Shumai, steamed shrimp dumplings that are tender and juicy. If you're in the mood for something crispy and satisfying, the Spring Rolls are a great pick, providing the perfect crunch with every bite.

Hearty Noodle Soups

When it comes to comforting noodle dishes, Ta Ke Sushi doesn't disappoint. Their noodle-in-soup options are a great way to warm up on a chilly day. The Zaru Soba is a cool and refreshing option, perfect for those who want to enjoy a light but flavorful meal. For something heartier, the Nabe Soba offers a warming broth with tender soba noodles, while the Tempura Soba combines the richness of tempura with the delicate flavor of the soba noodles. If you're a fan of udon, the Nabe Udon is an excellent choice, featuring thick and chewy noodles in a savory broth. The Tempura Udon, on the other hand, takes things up a notch with the addition of crispy tempura, adding a satisfying crunch to the dish.

Satisfying Fried Noodles

For those who prefer a more substantial meal, the Fried Noodles section of the menu offers a variety of options. Whether you're in the mood for vegetables, chicken, beef, or seafood, Ta Ke Sushi has you covered. The Vegetable Fried Noodle is a great choice for vegetarians, with a delightful mix of crunchy vegetables stir-fried with noodles. The Chicken Fried Noodle is a comforting option, with tender chicken pieces adding a savory depth to the dish. Beef lovers will enjoy the Beef Fried Noodle, a rich and flavorful combination of tender beef and stir-fried noodles. For seafood enthusiasts, the Seafood Fried Noodle is the perfect option, featuring a mix of fresh seafood, including shrimp, calamari, and other delicious additions.

Classic Maki Rolls

Of course, no sushi restaurant would be complete without a variety of maki rolls, and Ta Ke Sushi offers a fantastic selection. The Classic Maki section of the menu includes some of the most beloved rolls, such as the California Roll, with its sweet and creamy crab filling, and the Salmon Roll, which brings out the natural flavors of fresh salmon. The Tekka Maki, a simple yet satisfying roll filled with fresh tuna, is a great choice for purists. For a bit of variety, the Tuna & Avocado Roll combines the rich flavor of tuna with the creamy texture of avocado, creating a balanced and delicious bite.
