Route 99 Diner Menu is a true reflection of the warm, nostalgic charm of classic North American diners. Nestled at 8820 99 St NW in Edmonton, this beloved spot feels like stepping into a different era - cozy booths, friendly chatter, and the irresistible aroma of sizzling bacon and freshly brewed coffee filling the air. What truly makes Route 99 Diner special, though, is its hearty, down-to-earth menu that caters to every craving, whether you're in the mood for a classic breakfast, a juicy burger, or a comforting sandwich hot off the grill.

Starting your day at Route 99 Diner feels like a small celebration of comfort food. The **Eggs & Omelettes** section of the Route 99 Diner Menu is a highlight for breakfast lovers. You can choose something as simple as **1 Egg Any Style**, cooked just the way you like it, or go for a fuller plate like **1 Egg with Bacon, Sausage, or Ham** - a small but satisfying breakfast that pairs perfectly with a side of crispy hashbrowns. If you're hungrier, **2 Eggs Any Style** or **2 Eggs with Bacon, Sausage, or Ham** deliver that familiar diner heartiness, while the **Farmer's Breakfast** is a local favorite. It's the kind of plate that makes you feel ready to tackle the day - loaded, hearty, and cooked with that signature homemade touch. The eggs are always fluffy, the bacon crisp without being greasy, and the hashbrowns golden and perfectly seasoned. This section captures what Route 99 Diner does best: simple food, done right, served with a smile.

When lunchtime rolls around, the **Burgers** on the Route 99 Diner Menu steal the spotlight. They're everything a good diner burger should be - juicy, flavorful, and satisfying. The **Classic Burger** is straightforward but perfectly executed, featuring a well-seasoned beef patty with a lightly toasted bun that holds everything together without falling apart. Add a slice of cheese and you've got the **Cheeseburger**, a go-to favorite that balances the melted cheese and savory beef effortlessly. For something a bit richer, the **Mushroom Swiss Burger** is a must-try; it's layered with sautéed mushrooms and creamy Swiss cheese that melt together beautifully with each bite. The **Mexi Burger** adds a kick with its bold, spiced flavors - a fun twist that shows the diner's willingness to experiment within their comfort food roots. Meanwhile, the **Chicken Burger** is a lighter option without sacrificing flavor - juicy grilled chicken breast with fresh toppings, making it ideal for those looking for

something a bit less heavy but still indulgent.

If you have a soft spot for breakfast classics served all day, you'll love the **From The Skillet** section of the Route 99 Diner Menu. The **Eggs Benny with Hashbrowns** is easily one of the standout dishes. The poached eggs are perfectly soft, the hollandaise sauce is smooth and tangy, and the hashbrowns on the side are crisp and golden - the perfect combination of textures. For those with a sweet tooth, **3 Pancakes with Syrup** or **French Toast with Syrup** are both comforting options that feel like a warm hug in food form. The pancakes are thick, fluffy, and golden brown, served with rich maple syrup that soaks into every bite. The **French Toast** is just as delightful - crisped edges, a soft center, and that irresistible cinnamon sweetness. Each dish feels homemade, full of warmth and simplicity, just like a diner breakfast should be.

The **Sandwiches** section continues that theme of familiar comfort. The **Grilled Cheese** is a timeless favorite - golden-brown bread with gooey, melted cheese that stretches with every bite. If you want a bit of extra flavor, the **Grilled Ham & Cheese** delivers the perfect balance of salty ham and rich cheese. For something lighter, the **Tuna Salad Sandwich** is refreshing yet filling, offering a creamy tuna mix on perfectly toasted bread. The **Denver Sandwich** and **Open Denver** add a little flair - eggs, onions, peppers, and ham come together for a classic combination that's both hearty and satisfying. Each sandwich feels crafted with care, not rushed, making lunchtime at Route 99 Diner a relaxed and delicious experience.

If you're craving something hot and savory, the **Hot Sandwiches** section of the Route 99 Diner Menu is a real treat. The **Patty Melt** is a standout - juicy beef patty, caramelized onions, and melted cheese grilled to perfection between two slices of toasted bread. It's rich, satisfying, and deeply flavorful. The **Roasted Beef Dip** is another local favorite, with thinly sliced roast beef served on a fresh bun, paired with a side of au jus for dipping - pure comfort in every bite. For something with a hint of international flair, the **Montreal Smoked Meat** and **Cajun & Teriyaki Chicken** options offer a burst of flavor. The Montreal Smoked Meat has that tender, peppery kick, while the Cajun & Teriyaki Chicken brings a bold, slightly spicy edge that's still balanced and approachable. And, of course, there's the **Rueban**, with its layers of corned beef, Swiss cheese, sauerkraut, and dressing - a true classic that's hard to beat when you want something indulgent.

What ties everything together on the Route 99 Diner Menu is its sense of familiarity and comfort. Every dish feels like it was made in a home kitchen, not a commercial one. Portions are generous, flavors are straightforward yet satisfying, and the staff always make you feel welcome - whether it's your first visit or your fiftieth. The menu doesn't rely on trends or complicated ingredients; instead, it celebrates the timeless appeal of diner food: warm, hearty, and made with care.

In short, Route 99 Diner isn't just a place to eat - it's a place to unwind, connect, and enjoy the kind of food that makes you feel good. The Route 99 Diner Menu is a love letter to comfort food, from its perfectly cooked eggs to its juicy burgers and soul-warming sandwiches. Every bite feels like a reminder of why diners like this still matter: they feed both your stomach and your spirit.
